

WHEN WOMEN LEAD

Join us at CBIAs first-ever conference on women in business leadership. While the focus is on challenges and opportunities for women, the event is open to everyone.

Meet women entrepreneurs and senior executives in diverse industries and roles, including those related to yours, and hear their unique stories.

Our lineup features leaders in healthcare, pharmaceuticals, insurance, law, manufacturing, shipping, municipal government, consultancies, services, and nonprofits.

Panel discussions and keynotes will explore:
